

Reportage class Materials List:

- Sketchbook(s) - 9 x 12" &/or 11 x 14" spiral bound. You may also want a smaller one. 80# paper is good, for the big one.
- 2 Clips (such as 2" bulldog clips)
- Pencil sharpener (Staedtler is good) or retractable blade (for pencil users only)
- **Please plan to bring some cash to spend on the places we will visit (for the final 3 or 4 weeks of class). It doesn't need to be a lot!
- sponge (optional, for water media)
- In the chart below, I've listed examples of media you will need. While you don't need to get those exact sets, you do need to be sure you have 3 light colors, 3 medium colors, 3 dark colors, white, & black. Please choose **either** WATER MEDIA, **or** MARKERS; **not both**. (They may not mix very well.)

If you choose to go with water media, you'll need to pick ONE thick medium AND one thin medium from the chart.
