Summer Youth Workshops

For Rising Students Grades 7-12

The ArtsCenter offers one-week, half-day workshops for middle and high school students in a variety of art forms. Mix and match morning and afternoon sessions to fit your schedule and interests. In all workshops, instructors focus on skill development and discovery of creative voice. A low student-instructor ratio provides an encouraging environment for constructive feedback and exploring the creative process. These workshops are a great opportunity to explore your artistic talents, build your portfolio, or just learn a new skill you've been curious about trying! Students in Summer Youth Workshops are permitted to sign themselves in and out of camp each day.

Visit artscenter.live/artscamp for full descriptions.
